PREPARE FOR 2024 BREEDING SEASON!

It's Breeding Time.... Now What?

As the weather gets colder in Ohio, mare and stallion owners are gearing up for the breeding season. To help you make preparations for the upcoming breeding season, the OTBO is teaming up with **Dr. Pete Sheerin** of **Rood & Riddle Equine Hospital** located in Lexington KY. Dr. Sheerin is a member of the American Association of Equine Practitioners, the American Veterinary Medical Association and the Society for Theriogenology -Board-certified specialist in reproduction. Dr. Sheerin has lectured nationally and internationally on the reproductive aspects of the mare and stallion. Join us to help expand your knowledge on breeding! Save the date, bring your questions for a Q&A after the presentation, meet fellow Ohio Breeders, and make some new connections!!
